Dementia Reimagined

A conversation with Dr. Tia Powell, a leading psychiatrist and bioethicist, about turning our focus on dementia from cure to care.

"A brave, sobering, and profoundly humane book about one of the most serious challenges we face both as individuals and as a society."

—STEVE SILBERMAN, *New York Times* bestselling author of *NeuroTribes: The Legacy of Autism and the Future of Neurodiversity*

DEMENTIA *Reimagined*

Building a Life of Joy *and* Dignity
